

SKIN PERFECT 2000

Radiance and Vitality Treatment

Directions for use

PREPARATION PHASE

Cleanse skin with **GENTLE CLEANSER** and **GENTLE TONER**.

Remove dead cells with **GENTLE EXFOLIATOR**
or use the **PEEL MASK** which contains pineapple and grapefruit enzymes.

How to use the **Peel Mask**: Apply the **Peel Mask** with finger tips or a brush.
Apply steamer **without ozone** for **5-10 minutes**, then massage lightly with moistened
finger tips to remove dead cells. Rinse skin with lukewarm water.

Apply steamer with ozone for 10 minutes

Extract impurities by your normal method. Rinse with a lotion.

Apply the healing and antiseptic **BIO AROME "E"**
essence on the prepared skin.

TREATMENT PHASE

1. Apply **EYE ZONE INTENSIVE CARE** on the eye contour area.
2. Apply **REPAIR SERUM*** (DNA), **SENSITIVE SERUM*** or **REVITALISING SERUM***
depending on client's skin type. Massage until completely absorbed.
3. Protect the eyes with cotton wool pads moistened with warm water or GentleToner.
4. Apply the mask on the face. Use a brush to eliminate air bubbles under the mask.
5. Allow the **SKIN PERFECT 2000** to work for **25 minutes**.
6. Remove the mask by rolling it off, starting from the forehead.
7. Complete the treatment by applying a cream according to skin type (see below), with a
light massage, blending into the remaining serum from the mask.

FOR CLIENT'S HOME USE

NOURISHING CREAM for dry and wrinkled skin, **HYDRO SENSITIVE CREAM** for dry and sensitive skin,
FIRMING CREAM for sagging skin, **BIO ACTIVE** for normal/combination skin.

Also counsel client to use ***SERUM REPAIR** (for mature skin), ***SENSITIVE SERUM** (for dry and sensitive
skin) or ***REVITALISING SERUM** (for devitalised skin) at night under the cream.
