

VITAMINIC MASK

ANTI-FREE RADICAL, VITALIZING AND ENERGIZING TREATMENT

Directions for use

PREPARATION PHASE

Cleanse skin with **GENTLE CLEANSING MILK** and **GENTLE TONER**.

Remove dead cells with **FACIAL or GENTLE EXFOLIATOR**
Or use the **PEEL MASK** which contains pineapple and grapefruit enzymes.

How to use the **Peel Mask**: Apply the **Peel Mask** with finger tips or a brush.
Apply steamer **without ozone** for **5-10 minutes**, then massage lightly with moistened finger tips to remove dead cells. Rinse skin with lukewarm water.

Apply steamer with ozone for 10 minutes

Extract impurities by your normal method. Rinse with toner.

Apply the healing and antiseptic **BIO AROME "E"**
essence on the prepared skin

TREATMENT PHASE

1. Apply **EYE CONTOUR SERUM** on the eye contour area.
2. Apply the **MULTI VITAMIN SERUM** on the face and neck and smooth into the skin with a gentle circular massaging motion. The SERUM is rich in vitamins **A – E – C – B5 – B6 – F**.

3. PREPARATION OF THE MASK:

Mix 7 doses of powder with
5 ½ doses of mineral water
in a bowl using a spatula.

4. When mixture becomes creamy, apply by using a spatula starting from the neck.
Note: By applying slightly more mixture on the extremities of the mask, you will obtain thicker edges which facilitates removal of the mask.
5. Allow the mask to work for approximately **20 to 30 minutes**. Then peel off the mask.
7. Complete the treatment by applying a cream* according to the skin type.

FOR SALON USE AND FOR CLIENT'S HOME USE:

***HYDRO SENSITIVE CREAM** for dry and sensitive skin, ***FIRMING CREAM** for sagging skin,
***NOURISHING CREAM** for dry and mature skin and ***CLARIFYING CREAM** for uneven pigmentation and spots. **MULTI VITAMIN SERUM** in the evening under the cream.
